

**SJDT/LGB**  
**Nutcracker 2009 Absence Form**

Dancers are allowed only one absence of the regularly scheduled weekly rehearsals. Los Gatos Ballet Directors must be notified of any absence 2 weeks prior to the absence or as soon as possible in the case of an emergency.

If a dancer has circumstances beyond their control and may require a second absence it will be evaluated on an individual basis by the Director and may or may not be excused.

**No absences what so ever will be permitted November 21- December 6 including Thanksgiving weekend.**

Any unexcused absences may result in dismissal from the Production, at the discretion of the Director. The decision as to whether or not an absence shall be considered excused or unexcused shall be solely at the discretion of the Artistic Directors.

Please return this form to the Artistic Directors. You may leave it in the LGB drop box next to the front doors in the lobby, give it to a LGB office assistant, or directly to the Directors.
