Why Sponsor Us

- Your support contributes to building a strong dance sector in San Jose!
- San Jose Dance Theatre has been a key contributor to the San Francisco Bay Area art scene for over 58 years.

San Jose Dance Theatre's core Mission is to maintain excellence in ballet and contemporary dance training & performances and provide innovative opportunities for dancers of all levels. While dancer participation fees and ticket sales support the ongoing production, donations enable us to update costumes and sets, support our ability to have a live orchestra, and help us to provide financial-need based scholarships for students and full tuition scholarships for boys. We greatly appreciate your donation!

Meet the Directors

Mariana Zschoerper
Artistic Director

Mariana graduated from The Bolshoi Theater School as the Valedictorian. In 2011, Mariana joined the Baltimore Ballet as a Principal Dancer. In 2013, she received a merit scholarship to The Boston Conservatory, and in 2017, graduated with her B.F.A. as the Valedictorian. She joined SJDT as Ballet Mistress in 2018 and was promoted to Artistic Director in 2023.

Augusto Silva

Academy Sponsorships

Sponsor an academy dancer!

Every dancer should have the opportunity to realize their dream. Your donation can help a student dancer achieve the highest level of training at SJDT.

1

Tuition Assistance

SJDT Children's division has an annual tuition of \$2,550

The advanced level has an annual tuition of \$5,300

Additional dancer fees include performance fees, private lessons, master classes, or any expense outside of academy tuition.

The average pointe shoe for an advanced dancer costs approximately \$100 each. An advanced dancer can go through 6 pairs of pointe shoes a semester.

2

Diversity Scholarship

San Jose Dance Theatre is committed to supporting the diverse community of Santa Clara. Our student body currently consists of a diverse ethnic community. However, we have recognized substantial barriers to engagement in the Hispanic and African American communities. Dance is an expensive activity for young aspiring artists to participate in. This makes dance out of reach for families who are economically challenged. Our diversity scholarship program will provide tuition support for culturally diverse communities across Santa Clara. We are committed to leading a culturally diverse organization, enriching the community of Santa Clara.

3

Male Dancer Scholarship

SJDT wants to encourage male students to become interested in the art of dance by offering a scholarship program.

SJDT Children's division has an annual tuition of \$2,550

The advanced level has an annual tuition of \$5,300

Additional dancer fees include performance fees, private lessons, master classes, or any expense outside of academy tuition.

4

Merit Scholarship

SJDT's Artistic Director can award a dancer a merit scholarship based on their ability. A dancer who shows potential for a professional career in dance, including an apprentice position with the company, may earn this scholarship.

A merit scholarship recipient is an ambassador of San Jose Dance Theatre and will be featured in SJDT production and will be at special VIP events.
