# ABOUT SAN JOSE DANCE THEATRE

San Jose Dance Theatre (SJDT) promotes the positive impact of dance in Silicon Valley through accessible performances, excellent training, creative outreach, and collaboration across the arts. We strive to illuminate the human experience while enriching an appreciation of movement and music to an expanding and diverse audience. We value and maintain excellence in classical ballet and contemporary dance training in our school, pre-professional programs and professional ballet company, providing innovative opportunities for dancers of all levels. We seek to engage our community through collaboration with artists, arts organizations, government and private sectors.

## WHY CHOOSE US?

### **PROFESSIONAL COMPANY**

San Jose Dance Theatre employs artists at the highest level in the industry

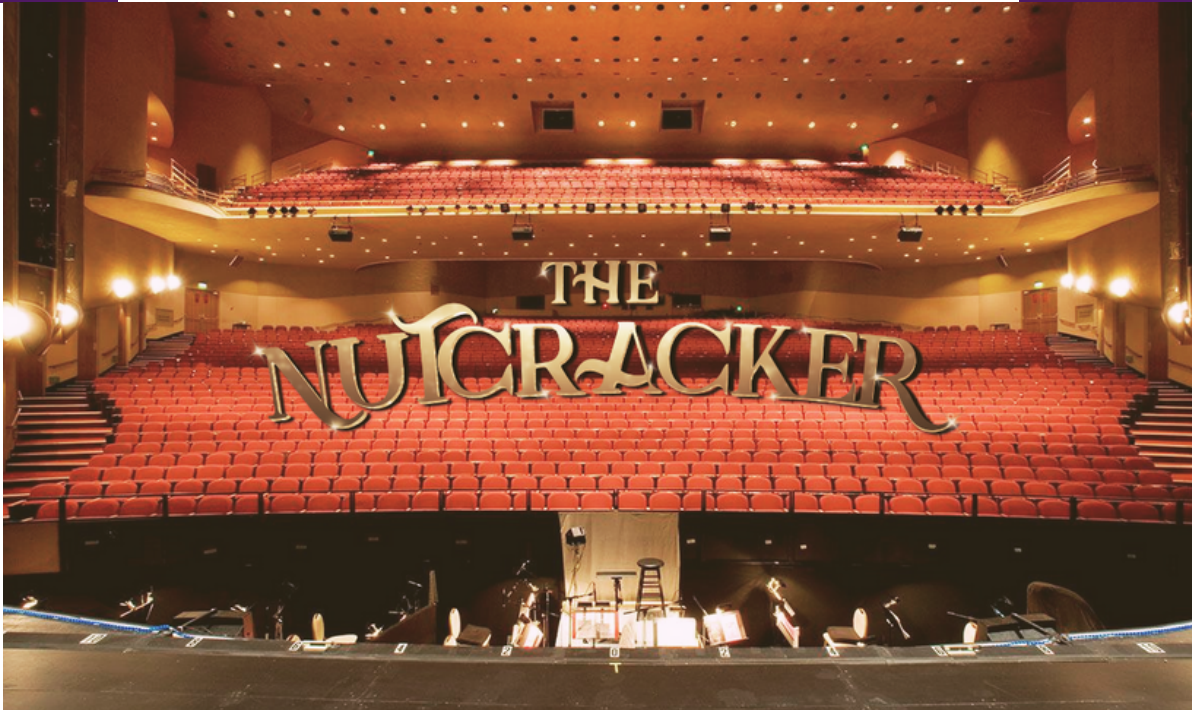

### **PROFESSIONAL ACADEMY**

San Jose Dance Theatre's elite dance training has produced dancers that go on to professional careers in dance.

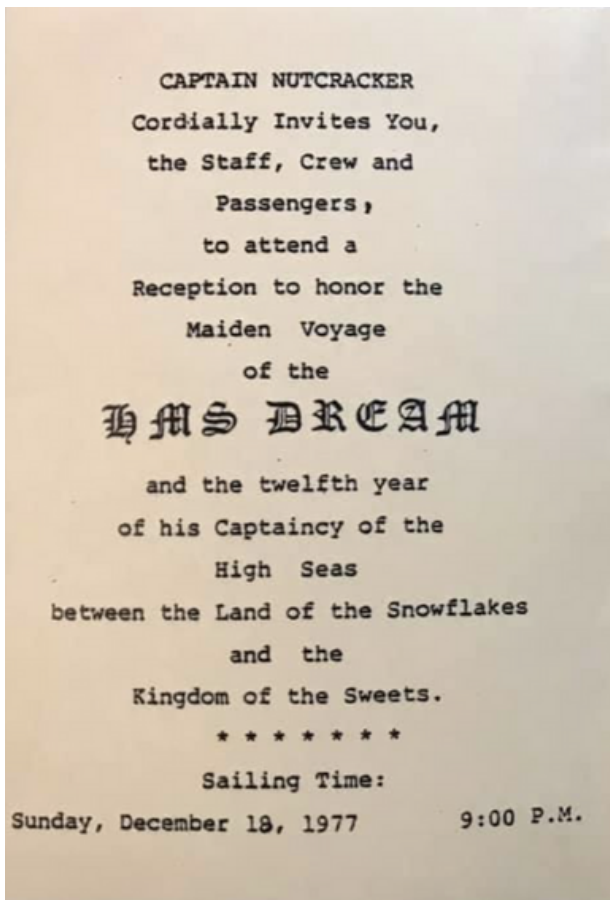

### **COMMUNITY**

San Jose Dance Theatre has been a keystone of the arts in the San Jose community since 1965.

# PROJECT BACKGROUND

## HMS DREAM

**THE ORIGINAL NUTSHELL  
BOAT LAUNCHED IN 1977**

## THE NUTCRACKER

The Original San Jose Nutcracker presented by San José Dance Theatre is celebrating 58 years of magic! The longest-running live production of The Nutcracker in San Jose has been a Bay Area family tradition since 1964.

San Jose Dance Theatre is excited to present this year's productions back in the theater at the San Jose Center for the Performing Arts.

We are excited to perform once again with the Cambrian Symphony, with musical direction by Scott Krijnen.

# GOALS & OBJECTIVES

The HMS Dream is taking on water!  
San Jose Dance Theatre needs your help to fund a brand new Nutshell boat for our annual Nutcracker. Our Nutcracker is a San Jose holiday tradition that welcomes thousands of guests each year. Clara and The Nutcracker travel to the kingdom of sweets on this Nutshell boat, which is integral to the production.

Our friends at Opera San Jose have developed a design for the new HMS Dream with a price point of \$24,000
